

Canoe rental

Preparation guide | EN

Independent local use or equipment supplied for events.

Practical information

Service: Canoe hire, separate from guided river descents.

Equipment provided: Sit-on-top canoe with backrest, paddle and buoyancy aid.

Format: Equipment hire; a guide is not implicitly included.

The experience

Sit-on-top canoes for local outings or company and event programmes. Equipment hire is distinct from a guided descent and does not automatically include an instructor.

Programme and options

Arrange collection at Peneda River Beach in summer or at the office in winter. Tell us how many canoes you need, for how long and where you plan to use them; the proposal sets out collection and any transport needed.

Included

The proposed equipment comprises a sit-on-top canoe, backrest, buoyancy aid and paddle; specify quantity and use location to arrange the rental.

Requirements and preparation

State the intended location and type of use to plan equipment and safe rental arrangements.

Meeting and logistics

Peneda River Beach in Góis in summer; the Trans Serrano office in winter. Arrange collection when planning your rental.

Preparing your visit

This guide summarises the admitted website information. It is not a booking confirmation or a commercial quotation. Arrange any missing equipment, collection/return details and conditions directly with the team.
