

Sicó van tour - itinerary proposal

Preparation guide | EN

Roman heritage, castles and limestone scenery on request.

Practical information

Programme: Van tour in the Sicó region, arranged through an individual proposal.

Format: A regional discovery programme; itinerary, timing and conditions are arranged with the group.

The experience

The proposal links Conímbriga, Alcabideque and Rabaçal with Penela, Pombal, Santiago da Guarda and Outeiro windmills. Buracas do Casmilo and the Sicó viewpoint introduce the limestone landscape.

Programme and options

Half-day and full-day proposals. Museums, ruins and castles are selected for each route; cheese tasting and meals should be agreed separately.

Requirements and preparation

Request a proposal with your preferred date, group and departure point.

Meeting and logistics

Condeixa, Rabaçal, Penela, Ansião and Pombal; meeting point to be defined.

Preparing your visit

This guide summarises the admitted website information. It is not a booking confirmation or a commercial quotation. Arrange any missing equipment, collection/return details and conditions directly with the team.
